

Amendments to the Drawings

The attached sheet of drawings includes changes to Fig. 1. This sheet replaces the original sheet including Fig. 1. In Fig. 1, reference numeral 19 has been changed to 19a.

Attachment: Replacement Sheet

REMARKS

The specification has been reviewed, and a clerical error of the specification has been corrected.

On page 2 of the Action, the drawings were objected to under 37 CFR 1.84(p)(5). In view of the objection, the drawings have been amended. In Fig. 1, reference numeral 19 has been changed to 19a.

On page 2 of the Action, claim 1 was rejected under 35 U.S.C. 102(b) as being anticipated by Livesey et al. On page 3 of the Action, claims 2 and 3 were objected to as being dependent upon a rejected base claim, but indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In view of the rejections and indication of allowability, claim 1 has been amended to include the limitations of claim 2, and claim 2 has been canceled. Claim 3 has been amended to correct dependency.

With the amendments, the application is believed in condition of allowance.

Reconsideration and allowance are earnestly solicited.

Respectfully submitted,

HAUPTMAN KANESAKA BERNER
